SKITOUREN CAMP

KARNISCHE ALPEN/SÜDALPEN

Kötschach-Mauthen / Gailtal

Kursleiter:	Alpincenter , 9640 Kötschach-Mauthen 87 Stefan OBERNOSTERER - E-Mail: stefan.obernosterer@alpincenter.cc
--------------------	---

Skitourenkurs für Anfänger und Fortgeschrittene in den Karnischen (Südalpen) Alpen in Kötschach Mauthen/Kärntne. Durch den Kurs werden den TeilnehmerInnen die beim Skitourengehen enorm wichtigen Sicherheitsaspekte vermittelt. Ziel ist es, dass die TeilnehmerInnen in der Folge selbstständig Skitouren planen können und potentielle Gefahren richtig einschätzen.

Kursinhalte:

- ✓ **Schnee- und Lawinenkunde** (Schneeprofile, Schneedeckenuntersuchung, Beurteilung der Schneesituation)
- ✓ **Kartenkunde und Orientierung** (richtige Verwendung von GPS, Karten, Bussole, Höhenmesser)
- ✓ **Routenwahl** (Spurwahl, Aufstieg und Abfahrt)
- ✓ **Sicherheit** (richtige Gefahreinschätzung, Unfallkunde, Verhalten bei Lawinenabgang, Umgang mit LVS-Gerät, Sonde und Schaufel, Erste Hilfe,...)

Diese Kursinhalte werden bei den Touren im Gelände erarbeitet und erlernt. Ergänzt werden die praktischen Inhalte durch Theorieeinheiten und Gruppenarbeiten. Es werden Gruppen mit max. 8 Personen gebildet, je nach Leistungsniveau.

Voraussetzung: **SICHERER PARALLELSCHWUNG auf der PISTE**

Termine	5. bis 7. Jänner 2018 4. bis 9. Februar 2018 18. bis 23. Februar 2018 Preis 5 Tage: 575 Preis 3 Tage: 255

SKI TOURING COURSE (advanced course)

Saturday, 04th Feb. - Friday, 10th Feb. 2017

**Venue: CARNIC ALPS
Kötschach-Mauthen / Gailtal Valley**

Course number:	712
Course instructor:	Alpine Centre (<i>Alpincenter Kötschach-Mauthen</i>), A-9640 Kötschach-Mauthen 87 Stefan OBERNOSTERER , Email: stefan.obernosterer@alpincenter.cc
Number of participants:	Limited to 16 participants. A state certified mountain guide will be made available to every team of 8 (at least 4 persons per group).

This ski-touring course in the Carnic Alps in southwest Carinthia (Gailtal Valley/Kötschach-Mauthen) is targeted at advanced ski-tourers. The course focuses on the extremely important safety aspects related to ski-touring. The objective is for participants to be able to plan ski tours and assess potential risks and dangers as a result of this course.

Course content:

- ✓ **Snow and avalanche awareness** (snow profiles, snowpack analysis and assessment, snow assessment)
- ✓ **Cartography and orientation** (correct use of GPS, maps, a compass, an altimeter)
- ✓ **Selecting a route** (selecting ascent and descent tracks)
- ✓ **Safety** (assessing dangers, accidentology, how to act in an avalanche, using avalanche transceivers, probes and shovels, first aid etc.)

These skills will be learned and developed on tours themselves. The practical side will be complemented by theoretical talks, lectures and group work. Participants will be grouped according to ability. Groups of no more than 8 participants per group.

Requirements: **CONFIDENT PARALLEL TURNS on-piste**

Eligibility:	Styrian Universities, Universities of Applied Sciences and Universities of Teacher Education students, graduates and staff: confirmation must be shown on enrolment.
